JOYFUL

The word 'JOYFUL' is rendered in a playful, hand-drawn style. Each letter is a different color and contains or is surrounded by a unique illustration. The 'J' is purple with a heart inside. The 'O' is red with a smiling face and a paintbrush below it. The 'Y' is green and shaped like a tree. The 'F' is green with a small blue crown at its base. The 'U' is blue with a star above it. The 'L' is yellow with a dotted border. The letters are arranged horizontally and are slightly shadowed, giving them a 3D appearance.
